

Senior Sequence Poster Content Suggestion Chart

	Format of Communication								
	Text	Table	Flowchart	Map	Graph	Picture	Video	Audio	Other Multimedia tool
Content									
Research Question									
Methods									
Conclusion(s)									
Interesting/notable point									
Don't Forget...									
Your Name									
Course Name									
Date									
Title									
Attribution (mentors, data providers, people who gave you a lot of help)									

Keep to main points only.

Attention spans are short and there are a lot of posters.

Be sure to use **no less than** 3 of these communication formats.

See http://seniorsequence.net/?page_id=40 for more detailed design tips for the poster.
