

## USP Senior Sequence – 2009/2010

**Additional Resources in your Areas of Concentration** - Keep in mind that many of these areas overlap. You may find some useful resources listed in areas other than your own.

### Architecture and Urban Design

- **\*Avery Index to Architectural Periodicals:** <http://uclibs.org/PID/105530>  
1934 - current, with selective coverage back to 1741. Indexes 2,500 + periodicals published worldwide on architecture, urban design, historic preservation, urban planning history, city planning, interior design, and archaeology. (Can be used as access point to other useful databases; see IBSS handout.)
- **Smart Growth Online:** <http://www.smartgrowth.org>  
A partnership of government, business and civic organizations that support smart growth. Since its creation in late 1996, the Network has become a storehouse of knowledge about smart growth principles, facilitating the sharing of best practices and acting as a catalyst for implementation of ideas.
- **Trust for Public Land:** <http://www.tpl.org/>  
A national, nonprofit, land conservation organization dedicated to conserving land for people to enjoy as parks, community gardens, historic sites, rural lands, and other natural places, ensuring livable communities for generations to come. Site contains information on their current and past projects, including work preserving over 31,000 acres in San Diego County.
- **International Association for Landscape Ecology** <http://www.landscape-ecology.org/>  
This organization aims to develop landscape ecology as a scientific basis for analysis, planning and management of the landscapes of the world and provides an infrastructure as a world-wide organization of landscape ecologists.
- *Cities and Nature: a Handbook for Renewal* ed. by Kemp [HT243.U6 C575 2006](#) (SSH 6<sup>th</sup> Floor)
- *Architecture in a Climate of Change: a Guide to Sustainable Design* by Peter F. Smith [NA2542.3 .S65 2005](#) (Arts Library)
- *Large Parks* ed. by Julia Czerniak and George Hargreaves [SB481 .L37 2007](#) (Arts Library)
- *The Green Building Bottom Line: the Real Cost of Sustainable Building* ed. by Martin Melaver, Phyllis Mueller [TH880 .G743 2009](#) (Arts Library)
- *Breakthrough Communities: Sustainability and Justice in the Next American Metropolis* ed. by M. Paloma Pavel [HT167 .B675 2009](#) (SSH 6<sup>th</sup> Floor)

### Community and Economic Development

- **\*Business Source Complete:** <http://uclibs.org/PID/126938>  
Business Source Complete Coverage includes virtually all subject areas related to business. This database provides full text (PDF) for some of its journals dating as far back as 1886. Additional full text, non-journal content includes financial data, books, monographs, major reference works, book digests, conference proceedings, case studies, investment research reports, industry reports, market research reports, country reports, company profiles and more.
- **\*SourceOECD:** <http://new.sourceoecd.org/>  
Full-text of books and journals and statistical data from the Organization for Economic Cooperation and Development on a wide range of topics including economics, political science, environmental studies, globalization, education, health, energy, communications, international development, foreign aid and more.

- **City of San Diego Planning Department:** <http://www.sandiego.gov/planning/>  
San Diego City Department responsible for city planning; web site includes many policy and planning documents.
- **Greener World Media:** <http://www.greenerworldmedia.com/>  
Greener World Media claims to be the world's first and only mainstream media company focused exclusively on sustainability and the competitive edge it brings to businesses. They have a number of new sites focused on different aspects of sustainability including green building, green business and more.
- **Policy Archive:** <https://www.policyarchive.org/>  
Policy Archive is a digital library of public policy research from government, non-profit organizations, think tanks and more. It contains over 27,000 documents on diverse subjects including, energy, environment, human rights, social conditions, population and demographics, manufacturing and more.
- ***Handbook of Environmentally Conscious Manufacturing*** ed. by Christian Madu  
[TS161 .H36 2001](#) (Science & Engineering Library)
- ***Localist Movements in a Global Economy: Sustainability, Justice, and Urban Development in the United States*** by David J. Hess [HC110.E5 H47 2009](#) (SSH 6<sup>th</sup> floor)
- ***Edens Lost & Found: How Ordinary Citizens are Restoring our Great Cities*** by Wiland and Bell  
[HT175 .E34 2006](#) (SSH 6<sup>th</sup> floor)
- ***Environmental Policy: New Directions for the Twenty-First Century*** ed. by Vig & Kraft  
[GE180 .E586 2006](#) (SSH 6<sup>th</sup> floor)

## Environment

- **\*Environmental Index:** <http://uclibs.org/PID/31263>  
Contains citations for scientific/popular literature on energy, waste, recycling, pollution, environmental health, law, conservation, wildlife management; and social, economic, political, ethical issues.
- **GreenFILE:** <http://bibpurl.oclc.org/web/23162>  
Offers well-researched but accessible information covering all aspects of human impact on the environment. Its collection of scholarly, government and general-interest titles include content on the environmental effects of individuals, corporations and local/national governments, and what can be done on each level to minimize negative impact. Topics covered include global warming, green building, pollution, sustainable agriculture, renewable energy, recycling, and more.
- **Water Education Foundation:** <http://www.water-ed.org/>  
A non-profit organization with a mission to create a better understanding of water issues and help resolve water resource problems through educational programs. Site includes California related resources such as the newsletter *The California Runoff Rundown & California water blog Aquafornia*.
- **EnviroLink:** <http://www.envirolink.org/>  
A non-profit organization committed to promoting a sustainable society by connecting individuals and organizations through communications technologies. EnviroLink does not take any positions on any specific environmental issues; it exists solely to act as a clearinghouse on the Internet for the environmental community.
- **The Center for International Environmental Law:** <http://www.ciel.org>  
The Center for International Environmental Law (CIEL) is a nonprofit organization working to use international law and institutions to protect the environment, promote human health, and ensure a just and sustainable society.
- ***Integrated Watershed Management: Principles and Practice*** by Heathcote [TC409 .H38 1998](#) (SSH 8<sup>th</sup> floor)

- *Fairness in Adaptation to Climate Change* ed. by W. Neil Adger, et.al. [QC981.8.C5 F345 2006](#) (Science & Engineering Library)
- *Building the Virtual River: Numbers, Models, and the Politics of Water in California* by Jackson [P89.6 2005 .J33](#) (SSH 7<sup>th</sup> Floor)
- *Cooper's Comprehensive Environmental Desk Reference* ed. by André R. Cooper [GE123 .C64 1996](#) (SSH Reference & \*online <http://uclibs.org/PID/105865>)
- *Environmental Justice in the New Millennium: Global Perspectives on Race, Ethnicity, and Human Rights* ed. by Filomina Chioma Steady [GE220 .E58 2009](#) (SSH 6<sup>th</sup> floor)

## Housing

- **California Department of Housing and Community Development:** <http://www.hcd.ca.gov/>  
California Government Agency whose mission is to provide leadership, policies and programs to preserve and expand safe and affordable housing opportunities and promote strong communities for all Californians.
- **San Diego Housing Federation:** <http://www.housingsandiego.org/>  
The San Diego Housing Federation is a coalition of nonprofit and other organizations and individuals working together to produce quality affordable housing and community development for lower income households. Their website website acts as a clearinghouse of information on housing issues in San Diego.
- **American Housing Survey:** <http://www.census.gov/hhes/www/housing/ahs/ahs.html>  
The American Housing Survey collects data on the Nation's housing. IN addition to data and statistics over time at the national and metropolitan levels, the AHS creates reports and briefs based on the housing data it collects.
- **National Housing Law Project:** <http://www.nhlp.org/>  
NHLP is a national housing law and advocacy center. Their goal is to advance housing justice for the poor by providing legal assistance, advocacy advice and housing expertise to legal services and other attorneys, low-income housing advocacy groups, and others who serve the poor.
- *The Encyclopedia of Housing* ed. by Van Vliet [HD7287 .E53 1998](#) (SSH Reference)
- *Housing Policy in the United States: an Introduction* by Alex F. Schwartz [HD7293 .S373 2006](#) (SSH 6<sup>th</sup> floor)
- *Creating a More Livable Community: Final Report of the San Diego Inclusionary Housing Task Force* [C400 H852 C66](#) (SSH San Diego Docs)
- *Lost in Space: the Criminalization, Globalization, and Urban Ecology of Homelessness* by Randall Amster [HV4493 .A57 2008](#) (SSH 6<sup>th</sup> floor)

## Infrastructure and Public Facilities

- **\*ENVIROnetBASE:** <http://www.environetbase.com/>  
Online book collection of +280 environmental science and engineering titles. Topics include environmental landscape ecology, earth science, water science/engineering, GIS and Mapping, and resource management/sustainability.
- **EPA - Sustainable Infrastructure for Water & Wastewater:** <http://www.epa.gov/waterinfrastructure>  
The Environmental Protection Agencies page for sustainable water infrastructure, which includes information on how their plans and partnerships to promote sustainable practices that will help to reduce the potential gap between funding needs and spending at the local and national level.

- **National Energy Center for Sustainable Communities:** <http://www.necsc.us/>  
The National Energy Center for Sustainable Communities (NECSC) promotes healthier and more productive communities by integrating cleaner energy systems and energy-smart planning and design into new development and redevelopment projects.
- **The Low Impact Development Center:** <http://www.lowimpactdevelopment.org>  
The Low Impact Development Center is a non-profit organization dedicated to the advancement of Low Impact Development technology, a comprehensive land planning and engineering design approach with a goal of maintaining and enhancing the pre-development hydrologic regime of urban and developing watersheds.
- **NSF Office of Cyberinfrastructure (OCI):** <http://nsf.gov/dir/index.jsp?org=OCI>  
The OCI is an office within the National Science Foundation. It Coordinates and supports the development of cyberinfrastructure at a national level. Their website provides information on its activities, but also contains results of research, conferences and reports related to cyberinfrastructure.
- **U.S. Census Bureau Population Projections:**  
<http://www.census.gov/population/www/projections/>  
Data, reports and methodology from the Census Bureau's population projections program.
- **Green Infrastructure: Linking Landscapes and Communities** by Benedict & McMahon  
[HD1391 .B46 2006](http://uclibs.org/PID/130450/10161043) (Arts Library & \*online <http://uclibs.org/PID/130450/10161043>)
- **Alternative Energy Resources: the Quest for Sustainable Energy** by Paul Kruger  
[TJ808 .K78 2006](#) (SSH 8<sup>th</sup> floor)
- **In Search of Sustainable Water Management: International Lessons for the American West and Beyond** ed. by Douglas S. Kenney [HD1695.W32 I62 2005](#) (SSH 6<sup>th</sup> floor)
- **The Age of Aging: How Demographics are Changing the Global Economy and Our World** by George Magnus [HB1531 .M34 2009](#) (SSH 6<sup>th</sup> floor)
- **Demographics of the U.S.: Trends and Projections** by Cheryl Russell [HB849.49 .R875 2007](#) (SSH Reference Stacks)

## Public Health, Safety and Welfare

- **\*Social Services Abstracts:** <http://uclibs.org/PID/6008>  
Indexes articles about community development, family and social welfare, social work, gerontology, poverty and homelessness, etc.
- **San Diego Crime Statistics:** <http://www.sandiego.gov/police/stats/index.shtml>  
Statistics on crime by neighborhood back to 2003; crime statistics for the city as a whole back to 1950.
- **National Center for Education Statistics:** <http://nces.ed.gov/>  
The primary federal entity for collecting and analyzing data related to education. Demographic & student performance information is available at the district and even the school level.
- **Human Development Reports:** <http://hdr.undp.org/en/reports/>  
Reports from the United Nations Development Program, online full text back to 1990. Each year has a difference theme, and there are both global and regional reports. Broad subjects include: environment, health, inequity, globalization, human rights, education and more.
- **Quality of Life: Concept, Policy and Practice** by Phillips [HN25 .P55 2006](#) (SSH 6<sup>th</sup> floor)
- **Health Promotion at the Community Level: New Advances** ed. by Neil Bracht  
[WA 546 AA1 H41 1999](#) (Biomedical Library)
- **Solutions to Social Problems: Lessons From State and Local Governments** by Eitzen & Sage  
[HN57 .E47 2009](#) (SSH 6<sup>th</sup> floor)
- **Social Injustice and Public Health** ed. by Levy & Sidel [RA418 .S6423 2006](#) (SSH 8<sup>th</sup> floor)

## Transportation Planning

- **National Transportation Library, TRIS Online:** <http://ntlsearch.bts.gov/tris/>  
This database contains over half a million records of published transportation research including technical reports, books, conference proceedings and journal articles. Coverage includes materials from 1960 to the present, with selected full-text.
- **Bureau of Transportation Statistics:** <http://www.bts.gov/>  
Part of the U.S. Department of Transportation; find statistics on all aspects of transportation in the U.S. here.
- **City of San Diego Transportation Planning:**  
<http://www.sandiego.gov/planning/programs/transportation/>  
Part of the Planning Department and is the section of the San Diego City Government responsible for transportation planning. Web site includes an online library of San Diego transportation documents.
- **Institute for Transportation & Development Policy:** <http://www.itdp.org/>  
U.S. based organization with projects around the world to promote environmentally sustainable and socially equitable transportation worldwide.
- ***Geography of Urban Transportation*** ed. by Hanson & Giuliano [HE305 .G46 2004](#) (SSH 6<sup>th</sup> floor)
- ***Urban Mass Transportation Planning*** by Alan Black [HE308 .B53 1995](#) (SSH 6<sup>th</sup> floor)
- ***Mass Transportation Problems*** by Rachev & Rüschenorf [QA402.6 .R33 1998 v. 1-2](#) (Science & Engineering Library)
- ***Pedal Power: The Quiet Rise of the Bicycle in American Public Life*** by J. Harry Wray. [HE308 .W73 2008](#) (SSH 6<sup>th</sup> floor)

## Tribal Policy and Planning

- **Native American Environmental Protection Coalition:** <http://www.naepc.com/>  
Based in Southern California, the organization was formed to assist member Tribes in establishing their own environmental offices, train staff and assist in grant writing.
- **Tribal Law and Policy Institute:** <http://www.tribal-institute.org/>  
Native American owned and operated non-profit corporation organized to design and deliver education, research, and technical assistance programs which promote the enhancement of justice in Indian country and the health, well-being, and culture of Native peoples.
- **EPA American Indian Tribal Portal:** <http://www.epa.gov/tribalportal/>  
Web portal developed by American Indian Environmental Office developed this tribal portal to assist tribes and the public locate tribal related information within EPA and other government agencies.
- **Bureau of Indian Affairs:** <http://www.doi.gov/bia/>  
U.S. Government agency within the Department of interior responsible for providing services to the 562 federally recognized American Indian tribes and Alaska Natives in the United States and is responsible for the administration and management of 66 million acres of land held in trust by the United States for American Indian, Indian tribes, and Alaska Natives.
- **Cal State San Marcos Native American Documents Project:**  
<http://www2.csusm.edu/nadp/nadp/>  
Digitized collection of published government documents and materials from the National Archives; mainly from the 19<sup>th</sup> century.
- ***Native Americans and Political Participation: a Reference Handbook*** by Jerry D. Stubben [E98.T77 S78 2006](#) (SSH Reference & online at <http://uclibs.org/PID/98495>)

- *The Praeger Handbook on Contemporary Issues in Native America* by Bruce E. Johansen [E98.S67 J65 2007 v.1-2](#) (SSH 6<sup>th</sup> floor)
- *Trusteeship in Change: Toward Tribal Autonomy in Resource Management* ed. by Clow & Sutton [E98.T77 T78 2001](#) (SSH 6<sup>th</sup> floor)
- *Closing the circle: Environmental Justice in Indian Country* by James M. Grijalva [KF8210.N37 G75 2008](#) (SSH 6<sup>th</sup> floor)

## Urban and Regional Planning

- **\*Urban Studies Abstracts:** <http://uclibs.org/PID/131705>  
Indexes articles in Urban Studies & related disciplines from 1973-present. Some full-text available, use UC-eLinks to access more. Use the "Choose Databases" link to search this database simultaneously with Academic Search Complete.
- **Urban Land Institute:** <http://www.uli.org/>  
A nonprofit research and education organization, whose mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide.
- **American Planning Association:** <http://www.planning.org/>  
APA is an independent, not-for-profit educational organization that provides leadership in the development of vital communities. Their site is full of great resources and information. If you haven't been to this website before, you really should go visit it now.
- **Planetizen:** <http://www.planetizen.com>  
A public-interest information exchange for the urban planning, design, and development community. It is a one-stop source for urban planning news, commentary, interviews, event coverage, book reviews, announcements, jobs, consultant listings, training, and more.
- **California Business, Housing and Transportation Agency:** <http://www.bth.ca.gov/>  
State of California agency responsible for business, housing and transportation around the state.
- **California Local Planning Documents Database at Berkeley:** <http://igs.berkeley.edu/planning.php>  
Database of local planning documents from all over the state, dating back as far as 1955.
- *Urban Planning in a Multicultural Society* ed. by Burayidi [HT165.5 .U75 2000](#) (SSH 6<sup>th</sup> floor)
- *Cosmopolitan Urbanism* ed. by Jon Binnie [HT119 .C68 2006](#) (SSH 6<sup>th</sup> floor)
- *Encyclopedia of Urban Planning* ed. by Arnold Whittick [HT166 .E5](#) (SSH Reference)
- *Handbook of Rural Studies* ed by Cloke, Marsden & Mooney. [GF127 .H36 2006](#) (SSH 6<sup>th</sup> floor)

## US-Mexico Border Planning

- **San Diego Dialogue:** <http://www.sandiegodialogue.org/>  
A self-funded public policy research center based at UCSD Extension focused on contributing to the advancement of research, relationships and solutions to the San Diego-Baja California crossborder region's long-term challenges in innovation, economy, health and education.
- **Institute for Regional Studies of the Californias:** <http://www-rohan.sdsu.edu/~irsc/>  
Institute based at SDSU which has undertaken multidisciplinary applied research projects on important regional concerns including transborder environmental issues, policy perspectives of the California-Mexico relationship, quality of life, and sustainable development.

- **Joint Working Committee U.S./Mexico Border Transportation Planning:** <http://www.borderplanning.fhwa.dot.gov/mexico.asp>  
Group composed of government transportation employees from both sides of the border. The Committee works to promote effective communication concerning transportation planning between U.S.-Mexico Border States and works to develop a well-coordinated land transportation planning process along the border.
- **UCSD Center for U.S.-Mexican Studies:** <http://usmex.ucsd.edu/>  
Part of the school for International Relations and Pacific Studies at UCSD. The Center support multidisciplinary research on Mexico, U.S.-Mexican relations, and Mexican-origin populations in North America.
- ***Hyperborder: the Contemporary U.S.-Mexico Border and its Future*** by Fernando Romero [F787 .R57 2008](#) (SSH 6<sup>th</sup> floor & Arts Library)
- ***Challenged Borderlands: Transcending Political and Cultural Boundaries*** ed. by Pavlakovich-Kochi, Morehouse, & Wastl-Walter [JC323 .C33 2004](#) (SSH 6<sup>th</sup> floor)
- ***Shared Space: Rethinking the U.S.-Mexico Border Environment*** ed by Lawrence A. Herzog [HC110.E5 S474 2000](#) (SSH 6<sup>th</sup> floor & International Relations and Pacific Studies Library)
- ***Statistical Abstract of the United States-Mexico Borderlands*** ed. by Peter L. Reich [HA218 .S72 1984](#) (SSH Ref & SSH 6<sup>th</sup> floor)
- ***Globalization and Urban Development*** ed. By Richardson and Bae. [HT165.5 .G59 2005](#) (SSH 6<sup>th</sup> floor) (Chapter: "Tijuana-San Diego: Globalization and the Transborder Metropolis" also available online\* <http://www.springerlink.com/content/q15k584j3733557p/>)

**For more research assistance, or for help finding resources more specific to your topic, come see us at the library or email/call us!**
